# PURCHASEPARTNERS

**who we are...**

## **FULL-LINE OEM COMPONENT PART SUPPLY SOLUTION SELLING OEM MANUFACTURERS...**

Specializing in Vendor Managed Inventory and Integrated Supply Partnerships, Supplying Component Parts and Turnkey Purchasing Solutions, Standard or Special, Uniquely Packaged, or Assembled

## **our expertise...**

### **WITH 125 YEARS COMBINED INDUSTRY EXPERIENCE SELLING THE OEM MARKET...WHY GO ANYWHERE ELSE?**

Purchase Partners is a premier supply solution for major manufacturers, delivering supply solutions to a broad range of manufacturing industries, globally. Our core management team of talented industry minds total over 125 years of combined expertise and experience in delivering supply solutions to a diverse customer base. We successfully bridge the information stream between manufactured components and your quality and engineering team.

**Purchase Partners—an integral part of your quality and application design team, providing reliable**

## **why choose us...**

### **COST REDUCTIONS**

Leverage Purchase Partners expertise and supplier base to develop a solution that provides for accurate inventory levels, increased inventory turns, improved purchase prices, reduced overhead costs, and the elimination of traditional paper-based procurement.

### **PRODUCTIVITY**

Streamline your procurement and inventory management steps through Vendor Managed Inventory (VMI), Global Sourcing, and 3PL Plus solutions while eliminating the transaction costs of RFQ's, purchase order entry, receiving processes, quality and inspection, staging, and other costs of warehousing.

### **COMMITMENT**

Our efforts are dedicated to future growth -- yours and ours, and we know the best way for our company to grow in the future is to enhance the productivity and profitability of our partners. Our proven track record of exceeding customer expectations and history of expanding our product lines to "best fit" our customers changing needs is a proven strategy for profitable growth.

### **VISIBILITY**

Purchase Partners provides our VMI customers full access to real-time information on current inventory levels, open orders, past shipments and much more via our Customer Information Network Portal (CIN), 24 hours per day, 7 days per week.

***We Do It Better, Faster, Smarter!***

# what we do...beyond what we sell

## VMI SOLUTION™

**REFOCUS YOUR STRATEGIC SUPPLY PARTNERSHIPS, OPTIMIZE YOUR SUPPLY-CHAIN**

Leverage Purchase Partners Vendor Managed Inventory expertise to develop solutions that provides accurate inventory levels, reduced overhead costs, and eliminates the hassle and expense of traditional paper-based procurement.

## GLOBAL SOURCING

**ENTER INTO A SUPPLY CHAIN SOLUTION WITH PURCHASE PARTNERS**

Our shared goal with our customers is to reduce Total Realized Costs from Procurement through Your Manufacturing Process, by integrating a supply partnership with our worldwide supply chain. Outsource your component purchases through one consolidated supply source...Purchase Partners.

## 3PL PLUS® SERVICES

**A NEW, INNOVATIVE SUPPLY SOLUTION FOR "OFF PREMISE WAREHOUSING"**

Allows Purchase Partners to integrate our VMI supply partnership with your existing third party provider, or provide those services directly to you.

## APPLICATION DESIGN

**Purchase Partners Is Your Solution For Improved Application Design and Part Standardization**

Whether you are looking for a new product or an existing design, we can help you increase productivity, improve quality, reduce costs, and solve your most complex challenges.

## CUSTOMER INFORMATION NETWORK (CIN) PORTAL

**YOUR PRIVATE, INTERNET BASED WEB CONNECTION TO INFORMATION YOU NEED**

Providing access to current inventories, shipped orders and invoices, past histories, quotations, and product descriptions, 24 hours per day, 7 days per week.

## OUR QUALITY

**ISO 9001"2015 QMS CERTIFIED**

Our in-house quality assurance lab provides us a decided advantage over other suppliers in the market and is fully equipped with destructive and non-destructive testing apparatus making sure that our products meet the high standards required by our valued customers.

## TURNKEY ASSEMBLIES

**PRODUCTION LINE SUB-ASSEMBLIES, HARDWARE KITTING, PRIVATE LABELING**

Operating multiple automated bagging equipment production lines, in house, we can be very responsive in producing hardware kits, quickly. In addition, we routinely private label package our customers company name and logo, and even operate as a drop-ship point to help fill customer orders.

# our products...and continually growing
